HERE WE GROW AGAIN

Council on Aging in Union County has seen significant growth this year, adding three new positions to our team, bringing our total from 29 to 32. With the continued support of our donors, we were able to serve 6,549 older adults and their families, an increase from 6,169 last year. Your generosity has allowed us to expand our distribution of medical alert systems, durable medical equipment, and incontinence supplies, as well as grow our in-home services, respite hours, and expand our newest SLIP Home Safety program. Together, we are making a lasting impact on the lives of older adults in our community.
